St. Louis, Michigan

You are Welcome

Visitors are welcome at Riverside Gardens, which are open every day of the week. All during the summer, hundreds of roses of every color vie with a million glads of over three hundred varieties, and with ten thousand dahlias of every color and type. When passing through St. Louis, the center of Michigan, visit Riverside Gardens, which are located on the north bank of Pine River. Riverside Gardens are on the new highway to the St. Louis oil fields.

Cut flowers are on sale all during the summer at very reasonable prices.

If you do not find what you want in this list, write for it. We will also quote prices on quantity lots.

TERMS: All orders are cash. We will ship C. O. D. if 20% is sent with the order. Everything is offered subject to being unsold on receipt of order. By placing orders, buyers are considered to agree to these terms. When an item is sold out, we reserve the right to substitute a similar article of equal or greater value, unless otherwise instructed.

We are always glad to answer any questions and are glad to give you suggestions and plan for landscape work without cost.
